ST. BRUNO SCHOOL MISSION STATEMENT

St. Bruno School is a Catholic elementary school dedicated to educating the youth of its diverse parish. As such, the school provides a foundation of academic excellence with a contemporary, Christ-centered curriculum in a positive, respectful atmosphere. We prepare our students for life-long learning and responsible citizenship in the Church and global community.

ST. BRUNO SCHOOL PHILOSOPHY

The primary goal of St. Bruno School is to continue the work of the family in forming Catholic Christian youth with an ever-deepening faith and love of God. We seek the development of each child to his fullest potential in an atmosphere where Jesus Christ is the core of the curriculum.

St. Bruno School strives to provide a foundation of spiritual and academic excellence. We believe each child is unique and as such is nurtured in a positive environment to develop self-esteem and individual dignity.

St. Bruno School has a commitment to a superior standard of academic quality and achievement. It is our purpose to create a learning environment that addresses the needs of the whole child. We, therefore, strive to provide for the spiritual, intellectual, social, emotional, and physical growth of the child.

St. Bruno School is an integral part of St. Bruno's parish community, rich in ethnic values and traditions. The parish shares needed spiritual, financial and volunteer support.

St. Bruno School is actively involved in the continuous process of forming an educational faith community. By working in partnership with parents, we hope to prepare our students to be responsible citizens who will serve and teach others as Jesus did.

ADMISSION POLICY

St. Bruno School is operated under the auspices of the Catholic Bishop of Chicago, a corporation sole, in the Archdiocese of Chicago. St. Bruno School admits students of any race, color, sex, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students in this school. St. Bruno School does not discriminate on the basis of sex, race, color, or national and ethnic origin in administration of educational policies and school-administered programs.

Requirements for admission:

- ❖ An official copy of the child's birth certificate (A child entering our 3-year-old preschool must be 3 years old on or before September 1. A child entering our 4-year-old preschool must be 4 years old on or before September 1. A child entering Kindergarten must be 5 years old on or before September 1.)
- ❖ A copy of the Child's baptismal certificate.
- ❖ A record of compliance with local and state health requirements.
- ❖ Transfer students must supply copies of academic records (e.g. report cards, standardized test scores). Parents sign an authorization for records to be sent between schools.

Students will be accepted based on the following priorities:

- Children of parishioners registered and residing within St. Bruno Parish
 - children from families with children already enrolled
 - children now reaching school age
- Transfer students from other Catholic Schools.
 - from schools that are merging, consolidating or closing
 - from schools not offering full programs Pre-School to Grade 8
- Children of non-parishioners
 - children from families with children already enrolled
 - children from families newly moved into the parish
 - children now reaching school age
- Transfer students from public schools
- Non - Catholics
- Availability of classroom space, not to exceed 20 students in the Preschools and 35 students in Grades Kindergarten through 8.

St. Bruno School will admit non-Catholic students provided these students will not displace Catholic students and that both students and parents clearly understand that participation in Catholic religious instruction and school activities related to the Catholic character of the school is required.

Transfer students are expected to be in good academic and behavioral standing and owe no debts to the previously attended school. St. Bruno School reserves the right to inspect former school records before admission. Students in grades 1 -8 who transfer to St. Bruno School from another

school will be on academic and conduct probation for one year. At any time during this year, the student who does not achieve acceptable academic or character standards may be asked to withdraw from the school. The decision is made by the principal upon referral from the teacher.

St. Bruno School may require testing or interviews of families and students to determine special needs for its students. St. Bruno School endeavors to educate all students within the limits of our school's educational program. We are not in a position to educate everyone. Students with special needs that cannot be met by existing programs will not be accepted for admission or re-admission.

ATTENDANCE

In order to receive the maximum benefits from the educational program of St. Bruno School, it is important for attendance to be regular and punctual. Absentees miss valuable class instruction, discussion and continuity of work. Parents should consider it a serious obligation to have their children attend school daily.

Reporting Absences

In an attempt to insure the safe arrival of students, a parent/guardian is asked to report all absences to the School Office (773-847-0697) before 8:30 a.m. A parent/guardian may call before 8:00 a.m. and leave a message on voicemail. If a child is reported absent by the teacher and a call from the parent/guardian has not been received by the school, the School Office will attempt to contact the child's parent/guardian, as listed on the School Emergency Information Card.

Return to School after an Absence

Students are expected to present a written note to their classroom teacher when returning to school after an absence. The note, which must be signed by the parent/guardian, must contain the dates of the absence and the reason. **This note must be presented even though the absence was reported by phone.** A doctor's release is required for absence due to a communicable disease or any absence of 5 consecutive days.

Tardiness

In order to begin the school day promptly and in an orderly manner, all students are expected to be in their homerooms when the tardy bell rings at 7:55 a.m. *Students arriving after 7:55 a.m. are considered tardy* and are required to report to the School Office, sign in, and obtain a tardy slip. The tardy slip must be presented to the classroom teacher. Habitual, unexcused tardiness will result in a conference with the student, parent and principal to determine an effective remedy to correct the disruptive situation.

Requests for Early Dismissal

Any request for an early dismissal must be in writing and and is to be given to the homeroom teacher who in turn will forward it to the school office. The request should indicate

the reason for early dismissal and the time that the parent will call for the child. If an adult other than the legal guardian is coming for the child, that person's name and relationship to the family must be indicated in the note. These requests are kept on file in the school office for the duration of the school year. The student will only be released to the parent or the indicated adult or guardian. At times of early release from school due to illness, a doctor's appointment, etc., children must be picked up at the main school office. On occasion, the secretary may ask for identification from the person picking up a child.

Absence for Trips or Vacations

We encourage families to plan their vacations around the free days built into the school calendar. If it is decided to remove a child from school for vacation, a written note indicating the dates of the absence must be presented to the school office in advance. **Teachers cannot be expected to provide assignments for the student ahead of time. It is the student's responsibility to make up all work missed during the absence.**

BACKPACKS: GUIDELINES

Due to the difficulty younger children experience with rolling backpacks, this type of backpack is not allowed for preschoolers through second graders. Students in grades three through eight may use rolling backpacks provided they have shoulder harnesses, allowing students to carry backpacks on their backs while they are walking down the stairs. Students are allowed to lower rolling backpacks to the ground once they are outside the school building.

BEHAVIOR PRACTICES

The primary objective of St. Bruno School is to educate our children in a Catholic Christian atmosphere. For our students to meet the challenges presented by society, the development of self-discipline and individual responsibility are essential. Our goal is for each student to learn to be responsible for his/her own choices and for the consequences of unacceptable choices. Enrollment at St. Bruno School is a privilege.

Because conduct reflects on the students, the families of the students and the entire school/parish community, St Bruno students are expected to conduct themselves as Christians who respect themselves, their supervisors and their fellow students, as well as the rights and property of all these persons. Moral and courteous behavior, therefore, is expected on campus, at school activities, and at any time, students are identifiable as students from St. Bruno School.

School rules and procedures are adopted for the good of the entire school community and are intended to create a positive learning atmosphere. When the rules are deliberately broken, or simply ignored, good order in the school is compromised; and the learning atmosphere suffers.

In order to provide each student an excellent educational climate, St. Bruno School has Behavior Practices in place. Acceptable behavior is expected during any function or activity (classroom, field trip, sporting event, etc.) involving St. Bruno School or Parish, regardless of the location or time of the event. *We need parents'/guardians' support in promoting acceptable behavior.*

PROCEDURES FOR PRE-SCHOOL 3 AND 4

See Pre-School Handbook

PROCEDURES FOR GRADES KINDERGARTEN TO 3

When inappropriate behavior occurs, School Personnel has the use of, but is not limited to, the following consequences, to be used at his/her discretion:

- Verbal Warning
- Written Warning to be acknowledged through email or signed by parent and returned to school the next day
- Teacher-Student-Parent Conference
- Teacher-Student-Parent-Administrator Conference

Teachers of children in the lower grades may on occasion keep a student after school as a disciplinary consequence. On such occasions, parents will be notified prior to the day of detention. This notification will be documented.

PROCEDURES FOR GRADES 4 TO 8

When inappropriate behavior occurs, School Personnel has the use of, but is not limited to, the following consequences, to be used at his/her discretion:

- Verbal Warning
- Written Warning to be acknowledged through email or signed by parent and returned to school the next day
- 40 minute detention after school (parent/guardian will be notified)
- Teacher-Student-Parent Conference
- Teacher-Student-Parent-Administration Conference

These consequences are not necessarily sequential. The nature of the unacceptable behavior determines the consequence. If a child receives three detentions during a given grading period, the child will receive a check on the Behavior side of the Report Card and a student-parent-administrator conference will be arranged. A behavior plan will be developed and signed by all parties. This behavior plan will become part of the student's file in the Principal's Office. The plan will be monitored by the teacher(s) and parents will be informed of the progress. Additional disregard for school policies may result in probation, in-school suspension, out-of-school suspension and/or expulsion.

DETENTION

In our continuing effort to promote self-control and individual responsibility, Grades 4 to 8 have established a detention program for any students whose behaviors or actions are deemed disruptive to the learning atmosphere. The detention notice will be sent home to be signed by a parent and returned the next day. The detention will be served from 2:35 p.m. to 3:15 p.m. During this time, the student will complete a reflective paper that will help the student own his/her behavior and then develop a plan to prevent the behavior from recurring. Students

serving detention will be dismissed from the single door closest to the school office. *The parent is responsible for the child's transportation home after detention.* Students who are not picked up by the parent within 5 minutes of the 3:15 p.m. dismissal from detention will be sent to Extended Day. Parents will be charged for this time according to the Extended Day service charge in force at that time.

PROBATION

While serious or consistent misbehavior is not expected, it does occasionally occur. When serious or consistent misbehavior occurs, it may result in a student being placed on probation. During this probation, which will last for a specified period of time, teachers will report to the parent/guardian and principal concerning the student's improvement. Lack of improvement during the period of probation will result in harsher penalties, such as in-school and/or out-of-school suspension being implemented.

SUSPENSION

Suspension is the isolation of the student from all school or school-related activities, including extra-curricular and sports events. The suspension may take place at school, in a supervised area away from the classroom or at home under the direct supervision of a parent or adult guardian. The length of a suspension may vary from one to ten days depending on the nature of the infraction. Homework and class work may be completed at the discretion of the teacher. Tests will be made up before or after school hours upon the students' return to school, at a time arranged by the teacher.

EXPULSION

Expulsion is the termination of the student's privilege to attend St. Bruno School and requires transfer of the student to another school. Expulsion is ordinarily invoked when drastic action is required to prevent disruption of the school environment. In most cases, a period of suspension from school activities will precede an expulsion.

THREATS

Students have the responsibility of informing the school personnel of threats made against them. The school principal has the responsibility and authority to gather data on such violations and the totality of the circumstances and will:

- Notify the police
- Notify parents/guardians of all students involved that a threat has been made and/or a student feels threatened by the statements and/or actions made
- Following the police investigation, determine appropriate disciplinary consequences for the student who made the threat. (Consequences may result in exclusion from special activities, probation, suspension and/or expulsion)

GANG ACTIVITY

Gang related activities have no place in the Catholic school, which is fostering a Gospel-based spirit. The following activities/behaviors shall be constituted as violations and are subject to disciplinary action:

- Any conduct on or off school premises that may be gang related
- Any conduct that may be gang related during school sponsored events or activities

-
- Students wearing clothing/symbols that may be, in the manner displayed, gang related. This includes, but is not limited to, jewelry, jackets, sweatshirts, caps or other possessions that may be gang related.
- The display of signs/symbols on paper, notebooks, textbooks or other possessions that may be gang related
- The use, possession and/or concealing of a weapon.

The school principal has the responsibility and authority to gather data on such violations and the totality of the circumstances, and may confiscate any such materials. Such violations will result in immediate probation, suspension and/or expulsion.

WEAPONS

Anything that can cause bodily harm, mental anguish or physical damage shall be considered a weapon. Students must not carry, possess and/or use weapons in school or on school premises at any time. *Under the Illinois School Code, school officials shall report weapon violations to the local police.* Use of anything that may be considered a weapon will result in disciplinary action. Depending on the violation circumstances, students will be counseled, suspended or expelled.

SEARCH AND SEIZURE

School personnel are charged with protecting the health and safety of all students. Fulfillment of these duties may conflict with a student's right to and need for privacy. The interest of individual students in securing personal privacy must be balanced against disruptive or illegal conduct.

While lockers, desks and other storage areas are provided to students by the school, the school retains control and access to all lockers, desks and other storage areas. These areas are assigned to students for their use on the condition that they will be used in a manner consistent with the law and with school rules.

School personnel may conduct inspections of these areas at any time, with or without the student present, in order to fulfill their responsibility of maintaining proper safety, control and management of the school. All property of the school, including the students' desks and lockers, as well as their contents may be searched or inspected at any time without notice. Authorized school personnel have an unrestricted right to search these structures as well as any containers, book bags, purses or articles of clothing that are left unattended on school property. If appropriate, school authorities will request the assistance of law enforcement in conducting searches.

The search of a student's person or personal property currently being carried is permissible when there is any suspicion that the student may be carrying contraband. Contraband, for the purposes here, shall be defined as any weapon, illegal drug and/or drug paraphernalia, or other item, the possession of which is prohibited by law or school policy.

BIRTHDAY CELEBRATIONS

If you would like to send a treat/snack for your child to pass out to all children, please let the teacher know at least one day in advance. Often children like to distribute snacks for birthdays and special occasions. We ask that such snacks be individually wrapped and that you take into consideration the nutritional value of snacks sent to school as at times, children have an overabundance of sugar that can lead to upset stomachs. Additionally, some children have allergic reactions to ingredients in snacks.

Parents are asked to consider the feelings of all children in a classroom when sending invitations to a party. We ask that invitations not be distributed at school **unless** every child in the class is receiving an invitation.

Decorating lockers for birthdays and/or special occasions is a privilege restricted to the 7th and 8th graders. Before decorating a locker, students must obtain prior approval (at least one day in advance) from the principal. Students with approval will be admitted into the building at 7:40 a.m. to decorate the locker and allowed to remain at the locker for 5 minutes after dismissal to restore the locker and the hallway to appropriate daily condition.

If the above privilege is being abused in any way, the principal reserves the right to withdraw this privilege. Parents and students will be notified of the change.

CARE OF BOOKS AND PROPERTY: SCHOOL AND PERSONAL ITEMS

Students are issued textbooks and/or workbooks for each subject. New books are purchased as often as possible. All students are expected to take proper care of all books by having them properly covered, not marking them or tearing pages. It is expected that all school property will be taken care of properly. Fines or requirements for compensation are issued for any damage to books or school property.

The school advises students not to bring valuable personal items to school (e.g. money, jewelry, collector's cards, audio equipment, hand-held games). School personnel will not be responsible for lost/stolen articles and will confiscate such items.

In today's society, the school understands the necessity of cell phones. However, the following rules must be followed regarding cell phones:

- Before entering the school building, cell phones must be turned off
- Cell phones must be kept in backpacks throughout the school day

Failure to comply with these rules will result in confiscation of the cell phone. The cell phone will only be returned to the parent/guardian.

CHILD ABUSE

School personnel, by law, are mandated reporters of allegations/suspicious of child abuse/neglect and must make reports to the Department of Children and Family Services whenever such circumstances exist. This means that we work, and fully cooperate, with all the appropriate agencies that handle the investigation of suspicion. Criminal background checks have been

performed on all current employees/volunteers and are performed on all persons considered for involvement at St. Bruno School.

COMMUNICATIONS / FAMILY ENVELOPES/ PHONE MESSAGES

Family Envelope: Parent-teacher and parent-school communication is an important factor in each child's education. In order to keep parents informed about what is happening, the **youngest or only** child in each family is given a **weekly Family Envelope** on Wednesdays of the school year. Enclosures include the following types of communications:

- Principal Newsletter
- Monthly School Calendar of Events
- Homeroom newsletters regarding specific homeroom programs/activities
- Family School Association news
- Board of Specified Jurisdiction news
- Parish announcements and fliers
- Community organization fliers (approved by the principal)
- Order Forms (Milk, Breakfast/Hot lunch Program, Certificate Program, Market Day, etc.)

Families should review envelopes' contents as they often contain forms that must be completed and returned to school. Additional notices and updates will be sent home from time to time, as needed. ***The Family Envelope must be signed by a parent/guardian and returned to school within three days of their distribution.***

Observations noted by parents and teachers are important in promoting a child's total development. We encourage parents to inform teachers about special occasions or changes that take place in a child's life (birth or adoption of a sibling, death of a loved one, family separation or divorce, loss of family income, etc)

Parents are asked to send a written request to the teacher or call the office when they want to make an appointment to discuss a matter of length or resolve a problem/conflict.

Non-custodial Parents: Family Envelopes are sent home with the children. If a non-custodial parent desires a family envelope, the non-custodial parent must (1) Be sure that a copy of the Court Order identifying the custodial and non-custodial parent is on file with the school and (2) Provide the school office with the non-custodial parent's name, current mailing address, and phone contact information. It is the non-custodial parent's responsibility to keep the address information up to date.

Phone Messages: Phone messages can be relayed by the school secretary to the teachers. Teachers usually receive these messages during their planning periods or lunch period. However, *teachers ordinarily return calls during their planning periods, lunch period, or immediately after school. They usually will not return phone calls during their class hours or in the evening.* Teachers may use their e-mail or written notes to respond to phone messages.

CONFLICT MANAGEMENT

As in all human relations, occasions may arise when, due to misunderstanding or lack of communication, some differences of opinion may occur. It is the policy of St. Bruno School that any such occasion should first be dealt at the level closest to the situation: student to student or

student to teacher. If this meeting does not resolve the situation, the next meetings would be teacher to parent or teacher to student and parent.

The teacher will document any meetings that are not resolved as a result of the first meeting and keep those notes in his/her file until the end of the school year at which time these anecdotal files will be destroyed.

If a satisfactory outcome does not result from the above process, the teacher, student or parent may request an appointment with the Principal to further discuss the problem.

EMERGENCY PROCEDURES

Student Emergency Information Cards

Each family is required to have a current “Student Emergency Information Card” on file in the School Office. Cards for the current year are given to the students on the first day of school. When completing the card be sure to provide us with the name and phone number of three emergency contacts living in close proximity to the school who would be available to pick the student up at school if necessary. We will make every effort to contact your primary designated caregiver. It is the parent/guardian’s responsibility to keep information on this card up-to-date. ***In the event of phone number changes or changes in emergency contacts, please notify the school as soon as possible in writing.***

If a student becomes ill or is injured during school hours, parents will be notified immediately and instructions from the parent/guardian will be followed. If parent/guardian cannot be reached, emergency contacts will be called. In the event of a serious accident when parents cannot be reached, the parent signature on the emergency information card authorizes the school to have the child transported to the hospital. Parents are responsible for all transportation and medical costs incurred in these situations.

Emergency Closings

St. Bruno School will be closed whenever the Chicago Public Schools are closed for inclement weather or the Archdiocese of Chicago deems it necessary. An emergency closing phone relay will be set up annually. This relay will only be used if St. Bruno School alone needs to be closed. In the event of severe weather conditions or for other unforeseen circumstances, the school cancellation announcement will be relayed as early as possible via the following stations:

AM radio – WBBM, WGN

TV stations – Channels 2, 5, 7, 9, Fox, CLTV

As parents you are the most able to discern whether or not it is safe for your child to attend school during severe weather conditions. Please do not call the school or the rectory for closing information.

Disaster Drills

In keeping with State law, disaster drills, such as fire drills and tornado drills will be held on a regular basis. Detailed information is contained in the St. Bruno Crisis Management Book which is available in the School Office. In the event that a tornado warning is announced near dismissal time, the students will remain in the designated shelter areas in the school until the All Clear is sounded.

If it becomes necessary to dismiss the student body early, the procedure will be:

- Students will be assembled in an area of safety and will be released to parent/guardian when they come to sign them out
- News media, particularly radio stations, will be notified of the early dismissal and the reason for it
- When necessary, the emergency closing phone relay will be implemented

EXTENDED DAY CARE PROGRAM

The St. Bruno Extended Day Program is designed to provide a safe and productive atmosphere for students enrolled in the school whose parents find it helpful for them to be at school outside of regular school hours. The Extended Day Care Program is available only for St. Bruno School students who need before school and/or after-school care. A handbook, with fee schedule, is distributed to each family that registers a child in the Extended Day Program. The Before-School Program will run from 7:00 a.m. until 7:50 a.m. and the After-School Program will run from dismissal until 6:00 p.m. on days when school is in session.

In addition to completing an Extended Day Registration Form for the morning care program, the after school program or both, each family that registers a child in the Extended Day Program is **required** to complete the Emergency Information Form for the Extended Day Care Program. (This form is completed in addition to the regular St Bruno School Emergency Information Form and may be obtained in the school office at the time of registration or from the Extended Day Program Coordinator.) If a student is not picked up from school at 2:35 p.m., he/she will be sent to the Extended Day Care Program until he/she is picked up by the parent/guardian, or authorized person. Parents/guardians will be responsible for all fees incurred as a result of a late pick-up.

FIELD TRIP POLICY

Field trips are an extension of St. Bruno School's educational program and students are expected to attend. They are designed to enrich the student's classroom curriculum in an educational, cultural, and social experience. Transportation and admission fees may be required. Ordinarily, parents will be informed at least ten days in advance about a pending trip. Information should include the destination, purpose of the excursion, travel arrangements, type of supervision, time out of school building and approximate return time, cost of the trip and any other pertinent information parents should possess.

Parents/ guardians choosing not to give permission for their children to participate in field trips must notify the school in writing and make arrangements for the children's care outside of school for the days of the scheduled trips—by choosing not to have their children participate in the field trip the responsibility for the supervision of the students becomes that of the parent/guardian. Students who do not attend school due to the non-consent of parent/guardian will be recorded absent of the day of the field trip. The school does not make provisions for student supervision should parents determine he/she will not participate in this trip.

Please Note: Field trips are privileges afforded to students, not absolute rights. Students who do not meet academic or behavior guidelines may not be allowed to participate in a class' field trip. Teachers will notify parents/guardians of this possibility prior to the scheduled trip. The classroom teacher always reserves the right to determine if a child should be accompanied by a parent/guardian on a field trip because of unacceptable behavior patterns. If under these circumstances a child does not participate in a particular field trip, the parent is responsible for arranging alternative supervision.

Each child must present a permission slip signed by his/her parent/guardian in order to take part in the field trip. No student may participate in a field trip unless a written signed parent/guardian permission for the particular event is on file. Students who have not submitted signed permission slips by the day of the field trip will not be able to attend the trip---verbal permission or permission by email is not acceptable. See the Appendix for a copy of the Field Trip Permission Slip. This copy may be used in the event the permission slip sent home is misplaced.

HEALTH PROCEDURES

Student Illness

Students having any kind of contagious disease should not come to school until they have recovered and are not contagious to other students. In addition, they must have a doctor's note stating that they may return to school.

Any student who comes to school with a contagious disease, or exhibits symptoms of a contagious disease while in school, will be sent to the School Office. A parent/guardian or caregiver (as listed on the child's Student Emergency Information Card) of the child will take the child home until he/she is well and no longer contagious. It is imperative that two caregivers are listed on the child's Student Emergency Information Card and that the information on the card is current.

Any student having an accident or becoming ill during school hours will be sent to the School Office. Minor ailments will be dealt with in the School Office. If warranted, a parent/guardian will be notified and consulted as to the procedure to be followed. If a parent/guardian cannot be reached, office personnel will notify the caregiver(s) listed on the child's Student Emergency Information card.

Health Requirements

Illinois State Law requires all children entering Kindergarten, Second grade and Sixth grade, and those new to the school (including preschoolers), complete physical, dental and eye examinations. All students must present evidence of proper immunizations. Any student not in compliance with this law by September 15 must be excluded from the school. Students born after 1956 must show proof of a second measles vaccination (this is a State of Illinois requirement).

The State of Illinois requires a valid Certificate of Child Health Examination be on file at the school for every child. All children must have the following immunizations and tests:

4 DTP, 4 Hib, 3 Polio, 2 MMR, series of Hepatitis B, 1 TB test/date/results and a physical examination within 6 months after the start of the school year

Once your child meets the requirements of the physical, it is valid for two years. Children will not be admitted to class if this form is not complete and on file.

Please keep your child at home if there has been vomiting, fever, rash combined with a fever, or diarrhea in the last 12 hours; if the child has started taking an antibiotic in the last 24 hours; if there is heavy nasal discharge or constant cough; or if there are symptoms of a communicable disease (reddened eyes, sore throat, headache, earache, abdominal pain, rash, fever). Notify the school as soon as possible if the doctor diagnoses a communicable disease and/or condition, such as strep throat, chicken pox or lice. Please do not bring a child back to school until all symptoms of illness are gone. If the teacher notices symptoms of illness when the child arrives, he/she will ask for clarification from the parent/guardian and may ask that the child not attend school that day. If a child becomes ill during class time, the school secretary will call a parent/caregiver (as listed on the child’s emergency card) to ask that the child be picked-up. During the time waiting for the parent/caregiver to arrive, the teacher will send the child to the school office and away from the other children.

Listed below are some of the common childhood diseases and the recommended isolation period for each of them:

Disease	Isolation Period
Chicken Pox	6 days after first eruption
Measles	7 days
German Measles	3 days
Strep Throat	24 hours after treatment has begun
Mumps	9 days after onset
Head Lice	After treatment with medicated shampoo prescribed by a physician or pharmacist – child will be rechecked before re-entering class, all nits must be gone
Conjunctivitis (pink-eye)	24 hours after treatment has begun

Medication Procedures

Parents/guardians have the primary responsibility for the administration of medication to their children. The administration of medication to students during regular school hours and during school-related activities is discouraged unless necessary for the critical health and well-being of the student.

It is the policy of this school, under guidelines from the State of Illinois and the Office of Catholic Schools, which school personnel—including teachers, administrators and administrative staff—shall not administer medication to students except as provided in the School Medication Procedures established for the administration of medication.

Compliance with the School Medication Procedures established for the administration of medication is the responsibility of the parent/guardian.

Procedures

1. **Medication Authorization Form** - No school personnel shall administer any prescription or non-prescription medicine unless the complete Medication Authorization Form for such student has been received by the School Principal or his/her designee. NO student shall possess or consume any prescription or non-prescription medication unless a complete Medication Authorization Form for such student has been received by the School Principal or his/her designee.

Medication Authorization Forms are available in the school office. In addition, a Medication Authorization Form is distributed for each student in the Family Envelope in August or early September. No student shall be allowed to possess or consume any prescription or nonprescription medication unless a completed Medication Authorization Form for such student has been received by the School Principal or his/her designee.

A Medication Authorization Form is distributed for each student in the August or early September Family Envelope. A Medication Authorization Form is complete if it contains the following information:

- ❖ A written prescription issued by a physician, dentist or other licensed prescriber. The prescription must set forth the child's name, licensed prescriber's signature and telephone number, medication name and dosage, and date of order.
 - ❖ Written administration instructions written by the licensed prescriber setting forth the route, time or intervals of administration, and the duration of the prescription.
 - ❖ Written indication, on the medication or by separate notation of the licensed prescriber, of the diagnosis requiring medication, intended effects and possible side effects of the medication.
 - ❖ Written permission and authorization for the administration of medication signed by the student's parent/guardian.
2. **Appropriate Containers** – It is the responsibility of the parent/guardian to provide the school with all medication in appropriate containers. Only medication for which a complete Medication Authorization Form has been received by the School Principal or his/her designee shall be allowed in the school. All such medication shall be provided in containers which are:
 - ❖ Prescription-labeled by a pharmacy or licensed prescriber, displaying Rx number, student name, medication, dosage, direction for administration, date and refill schedule, pharmacy label, and name/initials of pharmacist.Or
 - ❖ Manufacturer-labeled for nonprescription, over-the-counter medication.
 3. **Administration** - Administration of medication means dispensing, distributing, or adherence to the route by which the medication is to be administered indicated on the completed Medication Authorization Form.

- ❖ Medication **will not be administered** to any student by any school personnel unless the complete Medication Authorization Form contains the written request and authorization of a parent/guardian to have the School Principal or his/her designee administer such medication to the student, and the School Principal has agreed in writing to administer the medication as set forth in the complete Medical Authorization Form. Such written agreement by the School Principal shall be indicated on the completed Medical Authorization Form. The School Principal retains the right to deny such requests to administer medication to the students provided that such denial is indicated on the completed Medical Authorization Form.

Parents/guardians must make other arrangements for the administration of medication to students, such as arranging for medication to be administered before or after school or having the parent/guardian come to the school to administer the medication if:

- ❖ A completed Medical Authorization Form has not been received and approved by the School Principal for the medication sought to be administered.
 - ❖ A request and authorization for the administration of medication is denied by the School Principal.
 - ❖ The medication identified in the completed Medical Authorization Form is not given to the School Principal in an appropriate container as described herein.
4. **Self-administration** - A student may self-administer medication at school if so ordered by his or her licensed prescriber. Except as provided in Number 6 below, such medication must be stored in a locked cabinet under the control of the School Principal or his/her designee and a completed Medical Authorization Form must be received by the School Principal. The completed Medical Authorization Form must contain a statement signed by the licensed prescriber and the parent/guardian verifying the necessity and the student's ability to self-administer the medication appropriately.

Except as provided in Number 6 below, self-administration of medication shall be under the supervision of the School Principal or his/her designee.

5. **Storage of Medication** – Medication received by the school in accordance with a completed Medical Authorization Form and in an appropriate container shall be stored in a locked cabinet. Access to the locked cabinet shall be limited to the school Principal and his/her designees.

Medication requiring refrigeration shall be stored in a refrigerator that cannot be accessed by students and shall be kept separate from food items.

At the end of the school year, or at the end of the treatment regime, the student's parents/guardian will be responsible for removing any unused medication from the school. If the parent/guardian does not pick up the medication by the end of the school year, the medication will be appropriately discarded by the School Principal.

6. **Carrying and Unsupervised Self-Administration of Medication** – Students who suffer from asthma or allergies that require the immediate use of medication shall be permitted to carry such medication and to self-administer such medication without any supervision by school personnel **only if the following conditions are met:**

- ❖ A completed Medical Authorization Form has been received by the School Principal or his/her designee.
 - ❖ A completed Physician Request for Self-Administration of Medication form has been completed by the student's physician and parent/guardian and received by the School Principal or his/her designee.
 - ❖ Such medication must be worn in a waist pack by the student at all times
7. ***Emergency Medical Care*** – In the event that a student shall become ill or injured or otherwise need immediate medical attention that is not contained in the Medical Authorization Form on file with the School Principal or his/her designee, the Principal or his/her designee shall attempt to contact the student's parent/guardian utilizing the information provided on the student's Medical Information and Emergency Notification Form. If the student's parent/guardian cannot be contacted, the School Principal or his/her designee shall attempt to contact the persons identified by the parent/guardian as the student's emergency contacts. In either event, such contact shall be made to advise of the observed illness or injury or need for medical attention and to obtain further instructions from the student's parents/guardian or emergency contact.

Notwithstanding the foregoing, the School Principal or his/her designee or other certified school personnel may call emergency medical services before or after attempting to call the student's parent/guardian or emergency contact if, in the exercise of school-relation supervision of the student, the student's illness, injury or need for immediate medical attention is perceived to be in need of emergency medical care.

HOMEWORK

Homework is an integral part of the educational process, and assignments vary according to the grade level of the student. It allows the student an opportunity to develop independence and to improve the skills learned at school. In some cases, homework is a specific written assignment. In those grades where there are no specific nightly assignments, or on nights when no written homework is assigned, students are expected to read (or be read to) for fifteen to thirty minutes.

Families with students in grades 6 through 8 may consult our website for the students' assignments. This information may be accessed by logging into: www.stbruno.com and following the links to each grade's assignments.

Parent/guardians are encouraged to help children acquire the self-discipline required in doing homework. It is appropriate to check children's work and discuss it with them. We ask that parents not allow children to submit work that has been done carelessly or is incomplete. Without doing the assignment for the child, parents/guardians are encouraged to spend the necessary time to promote neatness, correct spelling, and correct use of punctuation.

LUNCH

All students may participate in the Archdiocesan Hot Lunch Program. A monthly menu/order sheet will be sent to each student. Orders for hot lunches are optional but will not be accepted after the deadline stated on the menu sheet for the month. Milk, chocolate or white, may be ordered even if a hot lunch is not ordered. Students may opt to bring a lunch from home. Families are encouraged to monitor children's lunches from home, keeping snacks and sugar

items to a minimum. Soda may not be purchased out of the machine in the lunchroom. “Fast food” lunch items (i.e. McDonald’s Subway, etc.) may not be brought to students at lunchtime.

Lunch Schedule

GRADE	LUNCH TIME
Pre-K 3 and 4 year olds	11:00 – 11:20
K, 1 and 2	11:50 – 12:10
3, 4 and 5	12:15 – 12:35
6, 7 and 8	12:45 – 1:00

Lunchroom Behavior

The lunch period should be a pleasant time for all. This can be achieved only by proper manners and courteous behavior. Students are to conduct themselves at lunch as they would at meals at home or in a restaurant. The students must abide by the regulations for conduct and at all times must obey the supervising personnel.

Lunchroom behaviors:

- Students enter and exit the lunchroom orderly and quietly
- Students exhibit courteous behavior in lines
- Students eat quietly with no screaming, banging or making other loud noises
- Students eat neatly with no throwing of any objects
- Students clean up after themselves
- Students respect the authority of all lunchroom personnel

Consequences for inappropriate behavior during the lunch period may include, but not be limited to, isolation from class lunch table, exclusion from class lunch table and after school detention.

PARENTS’ RIGHTS: SCHOOL RECORDS

Regardless of custody, both parents have the right to inspect and receive a copy of school records and reports in the absence of a court order to the contrary. Ordinarily, we shall release a student to either parent unless the school has a copy of a court order giving one parent exclusive custody.

PARENT/TEACHER CONFERENCES

Formal parent/teacher conferences are scheduled for every child in Preschool through 8th grade during the month of November. Prior to these conferences, parents receive the 1st term Progress Reports and Report Cards. A second Parent Teacher Conference will be scheduled after the second trimester during the month of March. In order to maximize the benefits of St. Bruno School’s educational program, it is necessary for parents/guardians to meet with the child’s teacher for an evaluation of the child’s progress.

We do not encourage students in Pre-Kindergarten through Grade 5 to attend these conferences. Participation is mandatory, however, for all students in Grades 6 through 8 to promote a sense of responsibility, active participation and accountability for their education.

The teacher or the parent/guardian may initiate additional conferences during the year. Teachers can be contacted by sending a note, by email, or by leaving a phone message for the teacher. The School Office phone number is (773) 847-0697

PHOTOGRAPHS: USE AND PUBLICATION

Members of our staff frequently take pictures of student activities for publication in the local newspapers or on the school website. Before these pictures can be published, the school must have an authorization on file for each student pictured. Parent permission for photo publication of students must be renewed yearly.

REPORT CARDS / HONORS REQUIREMENTS

Report cards are issued 3 times per year as part of the ongoing process of evaluation. Progress reports are issued between report cards to keep parents/guardians aware of students' progress in school. A signed acknowledgment (parent/guardian signature on report envelope) must be returned to the homeroom teacher within 3 days so that teachers know that parents have seen them. It is hoped that these will be discussed between parent/guardian and child—the good achievement recognized, and if needed, help given in areas that need improvement. Test scores, homework grades, daily work, other forms of assessment and classroom participation are part of the ongoing process of evaluation.

Honor Roll for 4th through 8th Graders

High Honors: A student must earn a grade point average of 4.0. Any academic or behavioral checks will disqualify students from Honor Roll status.

Honors: A student must earn a grade point average between 3.0 and 3.99 in all subjects. Any academic or behavioral checks, as well as a letter grade of 'D' or 'U', will disqualify students from Honor Roll status.

Citizenship Honors for 4th through 8th Graders

Students who have not earned any behavioral checks receive this reward, regardless of their grade point averages.

SACRAMENTAL PROGRAMS

The celebration of the sacraments is a major function of the parish community and as such has a parish-wide focus. Sacramental preparation and the celebration of the sacraments will include all students from our parish community, whether enrolled in the school or the CCD program.

- ✝ In second grade, students receive the sacrament of Reconciliation. Parent/guardians are required to attend a Parent Meeting in preparation for their children receiving this sacrament.
- ✝ First Holy Communion is received in third grade. Students participate in an Enrollment Ceremony and Agape Service. Parents/guardians are required to attend two Parent Meetings in preparation for their children receiving this sacrament.
- ✝ The sacrament of Confirmation is received in seventh grade. Parents/guardians and students are required to attend two Parent/Student Meetings. Service hours are required of Confirmation students as part of their preparation for the sacrament.

If parents/guardians do not attend these mandatory Parent Meetings, their children will not receive the sacrament for which they were preparing. Fees are required for all sacraments and are non-refundable. This information will be provided at the Parent Meetings.

TECHNOLOGY: REGULATIONS FOR STUDENT ACCEPTABLE USE OF ST. BRUNO TECHNOLOGY RESOURCES

Purpose

St. Bruno School provides technology resources to its students and staff for educational and administrative purposes. The goal in providing these resources is to promote education excellence in St. Bruno School by facilitating resource sharing, innovation, and communication with the support and supervision of parents, teachers, and support staff. The use of these technology resources is a privilege, not a right.

With access to computers and people all over the world comes the potential availability of material that may not be considered to be of educational value in the context of the school setting. St. Bruno School firmly believes that the value of information, interaction, and research capabilities available outweighs the possibility that users may obtain material that is not consistent with the educational goals of the school.

Proper behavior, as it relates to the use of computers, is no different from proper behavior in all other aspects of St. Bruno School activities. All users are expected to use the computers and computer networks in a responsible, ethical and polite manner. This document is intended to clarify those expectations as they apply to computer and network usage and is consistent with school policy.
