

Earth Day Essay Contest

Contest Rules:

1.) Essay topic is-

“If you were mayor, what green practices or policies would you promote to address current environmental issues? ”

Please research 2-3 topics and discuss how they relate to your essay.

2.) Essay must be between 500-750 words in length, typed or legibly printed (1 per student/Non-legible entries will be disqualified).

3.) There will be one winner per participating grade. The winner from each grade will have their work published on the internet and receive a free Earth day t-shirt.

There will be one **grand prize winner** for the best school-wide essay. The winning essay will be submitted to the white house!

4.) Judging will be based on creativity of ideas, clarity of content, and overall writing ability with respect to the topic. Judging is at the complete discretion of St. Bruno Catholic School and all judging decisions are final.

5.) Entries must be turned in by **April 5th, 2010**.

6.) A signed entry form must accompany all contest entries.
