Lunch Break

Welcome back! The beginning of the school year is a good time to talk about FSP's menu philosophy. There is a connection between good nutrition and student performance. Our menus highlight fruits, vegetables, leaner meats, low-fat milk products and whole grains while minimizing sugar, trans fat, and saturated fat. Milk served by FSP contains no artificial growth hormones or antibiotics. Even though we keep our eye on nutrition, we do not sacrifice taste. Our meals are wholesome and appetizing. It's all about bringing quality food to students.

We're thinking green, are you?
