

From the Desk of Mrs. McDermott 04/06/11

Dear Parents/Guardians,

Thank you to those families who have stepped up and signed up for our two build days. This is an exciting and busy time as we count down the days to the build, blessing, and opening of our playground. We need ALL hands on deck, so keep returning the volunteer forms.

Congratulations!!!!

A big congrats to the 8th grade class who had a great win over the teachers/staff in Tuesday's volleyball game. All grades attended the game with many students and even staff split on which side to support. I think the staff will be hearing about this one for a long time!!! ☺

Dress Down

As suggested by two of our students, Emily and Bobby Montelongo, Friday, April 8 will be a \$1.00 dress down with all money collected going to the Japan Relief Fund/ Catholic Relief Services.

Parents are very welcome to join us for Stations.
