Upcoming events:

Dear Parents,

We have been very blessed this year to have an art teacher for our students in Grades 3 - 8.

You will have an opportunity to see some of their great work. During our Open House, we will be selling student masterpieces. Please come and check the student artwork out before it becomes a part of someone's private collection!

We will also be having a February raffle basket. Please be on the lookout for information about the basket. Tickets will be \$5 each.

Sincerely,

Carla Sever
Principal

Calendar Change:

Please note that a change has been made to the school year calendar. A student mental health day has been added to the calendar on Friday, February 18, 2022. There will be no e-Learning, or in-person instruction, that day.

Outdoor Winter Apparel:

With the weather getting colder and messier, here are a couple of things to keep in mind:

- If your child wears boots to school, make sure that they have an extra pair of shoes, so that they can partake in gym.
- In addition to a warm coat, children will benefit from a hat, gloves/mittens, scarves, etc. If the weather is at least 32°F and dry, students have the opportunity to have recess outside.

Supplies Needed:

We are in need of copy paper. Families have the opportunity to purchase copy paper for service hours. (4 reams of copy paper = 1 service hour)
