COVID Updates:

Dear Parents,

We thank you, our beloved parents, for helping keep everyone safe, by keeping your child home when they are sick, getting your child tested before they return to school and reporting any positive or close contacts to me.

Though, we continue to have positive cases and close contacts reported to the school, the St. Bruno Staff is doing an excellent job being vigilant about following the COVID guidelines and families are following the Archdiocese quarantine guidelines.

Please know we will continue to keep you posted on any new guidelines.

Sincerely,

Carla Sever
Principal

Outdoor Winter Apparel:

With the weather getting colder and messier, here are a couple of things to keep in mind.

- If your child wears boots to school, make sure that they have an extra pair of shoes so that they can partake in gym.
- In addition to a warm coat, children will benefit from a hat, gloves/mittens, scarves, etc. If the weather is at least 32°F and dry, students have the opportunity to have recess outside.
